PRO WANTS TO MAKE A REPORT THAT A SILVER CITY OFFICER
JUST THREATENED HIM

***** N A R R A T I V E # 3 *****
ORIGINAL REPORT Entered By.: VILLEGAS, JACOB 4/22/16

On April 21, 2016 at approximately 1143 hours, I Deputy Villegas was dispatched to 26 Cold Springs Ranch Rd, in reference to an agency assist. Prior to my arrival I made contact with Sgt. Arredondo and Capt. Villalobos from the Silver Police Department at the intersection of Little Walnut and Langstroth. I was informed by Sgt. Arredondo that they were going to conduct a welfare check, but the address was located in the county, in which he was requesting a Deputy be present.

Upon arrival contact was made with Darrick Nelson. Darrick had stated that he had just been assaulted by Mark Contreras. Sgt. Arredondo informed me of the incident that took place, and they were just making sure Dr. Nelson was ok. I immediately contacted my shift supervisor Sgt. Gomez and informed him of the incident. Sgt. Gomez informed me that he was en route to my location.

Sgt Arrendondo, and Capt Villalobos left the area prior to Sgt. Gomez's arrival. I stayed with Mr. Nelson, and informed him that I will wait for his statement, until Sgt Gomez arrives so he does not have to repeat himself.

Shortly after Sgt Gomez arrives on scene. Dr. Nelson stated the following:
"I just had one of the Silver City Police Officers come, and sort of threaten me. It was more threatening in that he had done it before; in town. I didn't report it then, but it is something that I felt that I was in danger."

Sgt Gomez: "Who was the Officer?"

When he had opened the door to speak with Mark, he had his pistol in his left hand and phone in the right hand. Dr. Nelson was able to record the conversation. In the recording, I was able to hear Mark tell Dr. Nelson to "pull the gun out, and see what happens." Dr. Nelson continued to ask him to leave, and informed him that he has the right to protect himself and his property. Mark replied by saying "I have the right to protect my family, this isn't over." Dr. Nelson placed the pistol on the table, but still felt he was in threat. All he could see was the uniform and sidearm. Marc left shortly after.

Dr. Nelson was able to locate the receipts when the first incident took place. According to Dr. Nelson the date was 25 March 2016, at approximately 1612 hours at Walmart, and Walgreens at 1627 hours. Nikki later informed him that Mark had called her and informed her that he was at Walgreens waiting for him to come out. Nikki happened to be at the Verizon Store and was waiting in the parking lot. Nikki showed up to Walgreens and got between Dr. Nelson and Mark. Nikki later informed Chief Rynolds from Silver City Police Department.

Sgt Gomez: "When Mark showed up at your door what was his demeanor?"

Dr. Nelson: "He was pretty aggressive, I felt threatened."

After listening to the recording, I recorded it on my lapel camera. I also took photographs of the door where the incident took place. Photographs were also taken of the receipts. Sgt Gomez informed Dr. Nelson of his options and explained what a Criminal Trespass warning was and provided information in reference to a Domestic Violence Order, set by the District Judge. Dr. Nelson was also informed that this case will go to the DA's office for review, to see if charges will be approved.

Dr. Nelson did request that a CTW be issued to Mark Contretas. Sgt. Gomez advised him that if Mark does come back for any reason contact 911. Sgt. Gomez and I left the scene.

Sgt. Gomez and I attempted to locate Mark in reference to issuing an indefinite CTW for 26 W. Cold Springs Ranch Rd. We were informed that Mark resides somewhere off of 40th St and Swan St. While attempting to search for his residence, Central Dispatch advised that Nikki Bascom was requesting that deputies be on scene when she arrives to their residence, because Marc has been following her.

Sgt Gomez and I located the residence on the corner of Silver St. and 40th St. We waited for Nikki to arrive. Nikki was operating a white Toyota SUV. Mark was following her in a maroon Ford pickup. We made contact with Mark and informed him of the CTW. Mark seemed to be very upset, and stated he understood. Mark did state the following:

- * This morning Nikki said she was going to Mimbres, and make sure he had his phone on, so if the kids call they can contact him.
- * He receives a call from his daughter asking for money.
- * When he went to the ATM he noticed his (Dr. Nelson) vehicle leave,
